Peace Meditation for the World

On June 1, we gathered for a meditation to increase the energy of Peace for all life on the planet. About 18 people gathered and created the most amazing energy.

In the First Meditation, we opened to become one with God as his Child. We allowed all will to dissipate, and aligned our total consciousness to the energy of God love. An amazing oneness flowed into each individual which then united the group.

In the Second Meditation, we aligned with the Faeries, life on Earth, and lifted with the Angels to a space where the energy of the Earth could be viewed. There, we were allowed to send forgiving love to race consciousness. We were allowed to send a love that could erase the patterns of the past so that mankind could move forward in unlimited love. The Faerie kingdom and others worked on the other levels of life on Earth. It was an amazing transformation at every level.

We are so grateful for the opportunity and guidance of the Celestial Realms in facilitating a healing for this world. And, we are so grateful for the 18 people who were guided to bring their light so that our existence in this dimension could shine brighter with God love!

Saturday Classes Resume

Through Spring, we had 10 students move through classes in Metaphysics and a study of the Aquarian Gospels. Our students have been on a break during June & July.

Classes will be beginning once again in August. Starting August 3 (for 6 weeks) students will resume with: Metaphysics III and Aquarian Gospels IV.

For those students who have successfully completed all the prerequisites, Metaphysics IV and Aquarian Gospels V will begin on September 21st and will conclude on November 2.

Those completing the year of study in Metaphysics will receive their Teacher of Principle badge and will stand forth as representatives of our church. They will have the ability to help our visitors understand what we believe and our outlook on our relationship with God.

Your Opportunity

New Classes will form in January. Each year we begin with a new set of students wanting to understand the principles of Metaphysical Thought. Each year the new Teachers of Principle consider continuing their studies with a year in the Aquarian Gospels.

You think you are taking a class or studying a book. But really, *you are examining your life at a different level.* Both classes lead you to understand the energies at play in your life and how, with discernment, you can improve or redirect your life. And in studying these concepts, you come to understand your family here on earth!

If you are guided, consider joining the 2025 students in exploring their lives and the world around us.

Sundays 2024–
Becoming the Christ

We are continuing our focus on how to become the Christ in our current world and reality. During May and June, we looked at how Jesus taught the people of his day. Now, during July and August, we will be looking at how to apply the teachings of Jesus in our modern day situations and opportunities.

In July, we will be exploring our own personality construct and the limitations that are created by our perceptions. This month will allow us to refine our own image of self so that we can Believe we are Children of God.

In August, we will be exploring the patterns that we may have brought from past lives and how we might heal them in our current world. We each came here for our soul’s growth. Join us as we look at what our soul is teaching us!

“The Divine Purpose in My Life is Love!”

In the spheres of light, all souls are tranquil with shining, Godlike faces.

Every piece of work is executed perfectly, and the effort of all is applied to further the happiness of the community. Always, in your inner selves and in your quiet moments, you can rise into this perfect life, and receive from those who dwell there the inspiration to live likewise on earth.

Don’t make the excuse that you are only human.

With all the force of the truth that is in us, we say, we know, that you are Divine!

The Quiet Mind by White Eagle

Sunday School

Every Sunday at 10:30 we offer a metaphysical class for our children. From 3 to 13, our children are presented ideas of God’s love, the Love of Jesus Christ, and how they can use their energies to create joy and fun in their world.

Each week, we also have a craft that allows them to express themselves as a free spirit of love. We love our Kids!

Bookstore is Amazing

Come in and check out our current selection of items in our bookstore. We have beautiful crystals and gifts for every occasion. Our book selection provides a vast array of topics that encourage your growth and metaphysical knowledge.

For anyone who is starting the journey, we recommend White Eagle books. These are all so lovingly God based. “Jesus Teacher and Healer”, the “Spiritual Unfoldment Series” and “Heal Thyself” are all a must have in any Metaphysical Spiritual library. And of course, the “Quiet Mind” by White Eagle makes the perfect gift to anyone needing a daily dose of Spiritual support.

And don’t forget our Faeries! They are all beautifully individual and interactive! Consider a new member of your family!

New Crystals Coming
July 30, 2024

Patrick will be bringing in a whole new shipment of crystals for our bookstore. Each crystal is hand selected for the best quality and price!

It is also our intention during this buy, to bring is some “higher end jewelry” including some exquisite rings which are handmade and set with beautiful crystal pieces.
